Individuals provided with solar panels. Thus far 3,338 households reached against 4,126 target households.

**PROTECTION IMPACT**

- People can produce more handicrafts and earn additional income for the family.
- Families no longer need to buy fuel for lighting purposes, allowing them to spend their income on other family necessities.
- Children can study at night.
- Health hazards caused by fuel fumes and contaminated air are reduced.
- Women and children feel safer doing household chores and playing at night.
- Families are able to charge their mobile phones and stay connected with friends and relatives.
- Parents spend more time with their children, nurturing a healthy family environment.
- Difficulties taking care of family members with special needs are reduced.
